

**Down Community Transport, services are available to individual's and not-for-profit groups.**

If you have no car, limited mobility, little or no access to public transport then we can offer a transport solution to suit you.

**If you are part of a local community group and transport costs for activities are a problem, we may have a solution.**

We have a choice of vehicles to deliver our services including fully accessible minibuses, and volunteer cars. We are supported by our Social Enterprise, Down Town Transport that provides private hire work and all profit earned is reinvested back into community transport.

All our drivers have been Access NI checked and are fully trained (including MiDAS) to a high standard
